

## Extra-Curricular Offer at Alumwell Junior School

“Excellence and Enjoyment for Everyone”

Providing opportunities beyond academic, technical or vocational.

### Clubs

Our school offers a diverse programme of lunchtime clubs, featuring singing, dancing, and a variety of sports. In addition, from Monday to Thursday, we provide free after-school clubs, giving pupils the opportunity to enjoy engaging activities in sports, games, and skill development in a welcoming and supportive environment.

### Outdoor Education

All classes have the opportunity to take part in Forest School sessions, where pupils develop skills that support outdoor learning and exploration. We also offer residential trips, providing enriching experiences that foster independence, teamwork, and a deeper connection with the natural world.

### Playtime Plus

We provide a variety of alternative lunchtime activities, including colouring clubs, computer clubs, mindfulness sessions, dance, singing, and access to the library. These opportunities offer pupils a welcoming space to explore their interests, develop new skills, and enjoy a positive and inclusive lunchtime experience.

### Beyond School

Pupils have the opportunity to take part in a range of tournaments and competitions with local schools, fostering teamwork, resilience, and community spirit. We also participate in Cadmus competitions and festivals, celebrating talent, creativity, and collaboration.
